

How to read the *Music Therapy Clinician*

Option 1: Download the PDF and read it on any of your devices compatible with a PDF reader. We recommend [Adobe Reader](https://get.adobe.com/reader/), which you can download here:

<https://get.adobe.com/reader/>

See below (“Many Ways to Listen”) for audio options when accessing the *Music Therapy Clinician* through PDF download.

Option 2: View the journal through *Joomag*. Simply click on the image of the journal (above).

The best way to view the journal in *Joomag* (and the way we recommend) is in full-screen mode. Here’s how:

1. **OPENING JOOMAG** - Open the *Joomag* version of *Music Therapy Clinician*.
2. **SCREEN VIEW MODE** - Click on the “Full Screen Mode” icon, located towards the top right corner.

It looks like this: 

3. **SOUND SETTINGS** - *Joomag* has some sound settings that you may choose to adjust. To switch the page-turn sound (on/off), click the microphone.

When turned **ON**, it looks like this: 

When turned **OFF**, it looks like this: 

To listen/view audio recordings and video links (podcasts, songs, reflections, video) in the *Joomag* window, you must turn the microphone **ON** and click on the **play** (▶) icons.

Or listen to audio excerpts in *Soundcloud* and videos in *YouTube* (see below).

BONUS - You may also download the audio files from the webpage to listen whenever and wherever you choose.

4. **ZOOM** - To zoom in or out on the page, double click on the journal page, or select the magnifying glass (), and adjust the +/- scale to your liking. Select the hand tool to move around the page.
5. **OPENING LINKS** – Websites and videos have been linked to the *Music Therapy Clinician*. The best way to get the full experience is to view the journal-zine with a device that has access to these links and access to the internet. Of course, it's up to you how you prefer to access this publication.

Many Ways to Listen:

Listen in *Joomag* while reading the full-interactive *Music Therapy Clinician*. Look for the **play** () icons.

Listen to audio excerpts in *Soundcloud*. If you have an internet connection on your reading device, simply click the link from the PDF or *Joomag* and listen to the audio
