

New Jersey Association for Music Therapy

2011 MEMBERSHIP REGISTRATION FORM

www.njmusictherapy.org

It is time again for the New Jersey Association for Music Therapy's Annual Membership Drive. Here is your chance to become an NJAMT member. Joining NJAMT has many benefits. Your membership includes a subscription to the quarterly NJAMT News, an informative newsletter about Music Therapy happenings in New Jersey.

BUT THAT'S NOT ALL! In addition, as a member, you can:

♪ **Advocate:** Get up-to-the-minute information regarding any legislation that may impact our field. This is important as we work to gain state recognition of music therapy as well as ensure that our clients continue to have access to our services.

♪ **Advertise** your expertise and services to other professionals at a reduced rate on our **recently updated** website!

♪ **Learn** about the exciting work your colleagues are doing throughout the state in the **NJAMT Newsletter** "Highlights" column. The NJAMT newsletter is sent out four times a year and includes upcoming events, jobs postings, private practice opportunities, and columns by executive board officers and committee members.

♪ **Network:** Find a Supervisor or Peer Supervision Group. Clinical supervisors licensed by NY and PA are right here in your back yard! For new professionals or those new to the area, peer supervision is a great way to improve your clinical work.

♪ **Get involved with the MAR-NJAMT Task Force on Occupational Regulations** to find out what you can do to improve access to music therapy for NJ citizens.

♪ **Earn CMTEs for FREE!** This is probably the most exciting benefit! A Full Day Workshop each fall that is free to NJAMT members.

♪ **Get more involved with NJAMT**, and serve as a member of the **NJAMT Executive Board** – you'll be at the forefront of NJAMT's initiatives as part of the decision-making team.

♪ **Volunteer** with a short-term or public relations project you believe can help NJAMT "promote understanding, recognition, or implementation of music therapy services" in our state.

We are here to help you in many ways and offer you opportunities to help yourself and your colleagues, too, as we grow and learn and share with you in this dynamic, thriving field.

****Please print all information exactly as you would like it to appear in the member directory located in the confidential members only section of www.njmusictherapy.org ****

Please do not include me in the directory

Name _____ Credentials _____

Street Address _____ City _____

State _____ Zip Code _____ Email Address _____

Home Phone (_____) _____ Work Phone (_____) _____

Worksite _____ Title _____

Worksite Address _____

Member type: Active (\$25) (\$20 – if received by 2/28/2011) Couples (\$35) (\$30 if received by 2/28/2011)
